

Every story will need a good lead: Look at the following set of facts. First find the five Ws and the H for each fact set. Then identify which fact you think is the feature. Use the facts to write an engaging lead that gives the appropriate information.

Zoe Dorogi has been director of guidance for 10 years. She came to HHS 15 years ago as a history teacher. She has resigned to accept a job as superintendent of schools in Milan. She will leave at the end of the trimester.

The Michigan science scholarship finals will be held in the gym, Feb. 27-March 2. Senior Frank Zeidan will compete. There are 37 other finalists. Frank is one of the three competitors from the Lansing area. A girl from East Lansing and a boy from Skyline are the other finalists. 16,000 students entered the contest. The winner gets a \$15,000 scholarship

The junior varsity soccer team will host Pioneer tonight. Pioneer is alone in first place. The JV team hasn't lost in the last seven games. To tie for first place, the Huron JV team must win the rest of its games and hope that Pioneer loses at least once more. The JV squad has 10 wins and two losses.

A student-operated fund enables students from Huron to attend UofM. The fund, named after the River Rat, may be discontinued. The reason is that not enough money is being raised. This year the fund is supporting senior Kai Inoki. It owes \$970 toward her current tuition. It has promised her \$1,800 for next year.
